360 Financial win second leg

Gary Cane and Justin Moorhouse of 360 Financial mastered the simulators to win the second leg of the Etihad Airways Corporate League on April 19. The victory saw them leap into second place on the leaderboard behind front-runners Old Clubhouse.

360 Financial carded a round of three-under on the night to bring their total to one-under, four strokes adrift of the leaders. The Old Clubhouse pair of Alstair Guthrie and Dave Wood remain in the driver's seat after finishing tied for second on one-under with Football Focus, who slipped to third on the standings.
